

PREPARED FOR

Pusat Tuisyen Hz Academy

Online tuition centre management platform · Founding Design Partner No 1 · approximately 700 students and 100 tutors

Option 1 · Phased ownership

Pay once per phase, under perpetual licence. Fifty percent to begin a phase, fifty percent on delivery. Hz may stop after any phase and keeps everything delivered.

SCOPE	AMOUNT
Phase 1 · Website and campaign system	
Website, six pages, Malay primary, mobile responsive Home, subjects, how it works, tutors, fees, contact	2,500 – 3,000
Landing page system, one template plus three campaign pages Content-file driven so Hz can add campaigns without a developer	2,000 – 2,800
Meta Pixel and Conversions API, advanced matching Server-side event forwarding so ad spend is measured, not guessed	1,000 – 1,500
Enquiry capture, campaign-tagged, routed to WhatsApp Includes the intake worker and the enquiry sheet	500 – 700
Phase 1 total	RM 6,000 – 8,000

Phase 1 ships as a static site with no login and no backend, so it can go live within weeks and independently of everything that follows.

OPTION 1, CONTINUED

Phases 2 and 3

The main build, and the optional add-on.

SCOPE	AMOUNT
Phase 2 · Access control, payments and portals	
Backend, roles, and migration of existing student and fee data	6,000 – 8,000
Parent and student portal No password, WhatsApp magic link, attendance, schedule, fees, announcements	5,000 – 7,000
Admin portal Students, guardians, tutors, cohorts, schedule, billing, payroll output	8,000 – 10,000
Online fee collection, FPX and DuitNow, with reminder ladder and suspension	2,000 – 2,500
Zoom and WhatsApp Business integration Per-subject join gating, attendance from the join log, post-class reconciliation	1,000 – 1,500
Phase 2 total	RM 22,000 – 29,000
Phase 3 · Tutor portal, optional add-on	
Tutor dashboard, classes, lesson plans, earnings and payslips Deferrable. Payroll works without it, because Zoom supplies the hours	5,000 – 6,500
Total, all three phases, Founding Partner rate	RM 33,000 – 43,500

Not included in the one-time price

Care and maintenance is **RM 1.20 per active student per month**, approximately RM 840 at current size, and covers hosting, security, backups and support. Any platform feature built after your phases ship is quoted separately. If you would rather every future feature were included, Option 2 on the next page is the better fit.

OPTION 2

Platform subscription, recommended

Everything included, with hosting, maintenance and every future feature carried by us.

Hz, Founding Partner		Recommended	
Launch fee, one time		RM 15,000	
Phase 1 build, onboarding, data migration			
Per active student, per month		RM 2.00	
At approximately 700 students		RM 1,400 / month	
Minimum RM 600 a month. Rate locked for 36 months, then the published rate less a permanent 25 percent founding discount.			
		Published rate, centre two onward	
Launch fee, one time		RM 24,000	
Per active student, per month		RM 3.50	
At 700 students		RM 2,450 / month	
The founding discount is therefore worth RM 46,800 across the 36-month lock.			

Included in the subscription

- ✓ All three phases delivered on the roadmap
- ✓ Hosting, security, monitoring and daily backups
- ✓ Maintenance and every future platform feature
- ✓ Priority WhatsApp support
- ✓ Data exportable at any time, in a standard format
- ✓ Launch fee refundable within 30 days

Option 3 · Full ownership, including the intellectual property

All three phases, source code, and assignment of the platform. Our right to develop this system for any other tuition centre ends on final payment. Hosting and maintenance quoted separately. **RM 120,000**

Quoted separately, not included above

Quiz and assessment platform

RM 14,000 – 19,000

Question bank, MCQ, true or false and short answer, class assignment, timed attempts, automatic marking, per-student results and a teacher view. Built in-house so the KPM question bank remains Hz's asset.

LHDN e-Invoice submission

To be quoted

Consolidated monthly e-Invoices via MyInvois. Scope depends on turnover.

Campaign copywriting, per campaign

To be quoted

Optional. Hz may write its own using the supplied guide.

ALSO WORTH KNOWING

Running costs and terms

These sit outside this quotation because they are services Hz buys directly. We pass them through at cost with no markup.

RUNNING COST	FROM	ESTIMATED MONTHLY
Zoom licences Set by concurrent classes, not tutor headcount	Now	RM1,700 – 4,200
Payment collection fees Roughly 700 collections a month, mixed rails	Phase 2	RM1,500 – 3,000
WhatsApp messages Charged by Meta per message. In-conversation replies are free	Phase 2	~RM 280
Advertising spend Hz decides the budget	Phase 1	Your choice
Domain and hosting Included in Option 2	Phase 1	Near zero

TERMS

The agreement in plain language

Full terms will be set out in a separate agreement. Nothing here is intended to surprise you later.

Validity	This quotation is valid for 30 days from the date shown.
Payment, Option 1	Fifty percent to begin each phase, fifty percent on delivery of that phase.
Payment, Option 2	Launch fee on agreement, then monthly in advance. Refundable within 30 days if Hz is not satisfied.
Intellectual property	The platform remains the property of Axel Nova Ventures under Options 1 and 2, with Hz holding a full perpetual licence. Under Option 3 the IP transfers to Hz on final payment.
Your data	All student, guardian and operational data belongs entirely to Hz, exportable at any time in a standard format, with no notice period and no fee.
Exclusivity	None is offered or implied. Axel Nova Ventures may develop this platform for other centres.
Estimates	Ranges reflect scope not yet fully confirmed. Figures are fixed once the items below are answered.

Five answers that will fix these numbers

Exact active students paying this month · average monthly fee per subject · annual turnover for the LHDN question · classes running at the same moment at peak · whether parents will authorise a monthly direct debit.
